

Terre des Hommes France

The international solidarity association Terre des Hommes France, recognized as being of public utility, has been committed since 1963 to the fight against inequality and injustice, and to access to fundamental human rights, in particular those of children.

Among these rights and in the face of the climate emergency, the right of all children and young people on the planet to benefit from a healthy and safe environment is a priority.

La asociación de solidaridad internacional Terre des Hommes France, reconocida como de utilidad pública, está implicada desde 1963 en la lucha contra las desigualdades y las injusticias, y en el acceso a los derechos humanos fundamentales, especialmente los de los niños.

Entre estos derechos y ante la emergencia climática, es prioritario el derecho de todos los niños y jóvenes del planeta a beneficiarse de un medio ambiente sano y seguro.
