

European Consumers Organisation (BEUC)

BEUC acts as the umbrella group in Brussels for its members and our main task is to represent them at European level and defend the interests of all Europe's consumers. BEUC investigates EU decisions and developments likely to affect consumers, with a special focus on five areas identified as priorities by our members: Financial Services, Food, Digital Rights, Consumer Rights & Enforcement and Sustainability. For a quick summary of how we approach these areas and what we have achieved so far, consult this presentation.
