

respACT - Austrian Business Council for Sustainable development

respACT - austrian business council for sustainable development is Austria's leading platform for Corporate Social Responsibility (CSR) and Sustainable Development. The association emerged in October 2007 from the fusion of the Austrian Business Council for Sustainable Development (ABCSD) and respACT austria. respACT stands for 'responsible action' and supports its member companies on their way to implementing socially responsible actions into their daily business. Responsible companies focus on five fields of action: organisational leadership, market place, workforce, environment and society. respACT - austrian business council for sustainable development responds to businesses of all sizes based in Austria, from small companies to major corporations. The council's most important activities are thought leadership on CSR and sustainability, exchange of best practices, knowledge transfer and education as well as the establishment and administration of a national CSR network.
