

## **Business for Society Czech (Byznys pro společnost/ BpS)**

Business for Society implements its programmes through partner organisations in five main strategic areas. The platform unites other activities whose aim is to set up standards in this area, support the involvement of business leaders and other players in the form of work groups and leadership teams. Its task is a professional and conceptual development of the vision and targets of the platform Business for Society. It consists of owners of businesses, leaders and important personalities.
