

National Commission for the Coordination of the Programme for Microcredit for the Development of Social Economy (CONAMI)

The National Microcredit Commission (CONAMI) was created to implement the National Microcredit Program for Social Economy. Under the Argentina Trabaja programme, its objectives are: - Facilitate access to micro-credit for all workers who need capital to strengthen their productive , service and/ or consumption enterprise. - Strengthen social organizations transforming microcredits into a tool for social inclusion and building a social economy. - Consolidate a network for the development of comprehensive policies between the National Government and social organizations.
