

Argentinean Entrepreneurial Council for Sustainable Development

The Argentine Business Council for Sustainable Development (CEADS) is a non-sectorial business organization that brings together 63 companies from different industrial sectors based in Argentina, united by a shared commitment towards sustainable development. It is the Argentine chapter of the World Business Council for Sustainable Development (WBCSD). The CEADS has created a working group a specific and permanent "Corporate Social Responsibility Group". In regular meetings, the members of the Group exchange experiences to encourage alliances and discuss best practices and international trends, observing the applicability to Argentinean local reality.
