

United Way Chile

The first joint association in Chile, created to raise and manage funds aimed at the realization of social responsibility programs focusing on early childhood Education working with children, their families and the community.

An innovative institution focusing on social responsibility that allows its member companies to channel their needs to realize programs in vulnerable communities with emphasis on early Education.

As an initiative of a group of local entrepreneurs, the organization seeks the commitment of businesses and their employees, facilitating the exercise of their social responsibility towards sectors that require support.
