

Asociación Nacional de Empresas de Servicios Públicos Domiciliarios y Actividades Complementarias e Inherentes (ANDESCO)

The National Association of Public Services and Communications (Andesco) is a non-profit sectorial entity that was constituted as an organization of private law, and that belongs to the corporations created within the framework of the Colombian Civil Code. It represents the interests of the companies that are affiliated to household public services, their complementary activities related to information technology and communications. Andesco was created in 1995 and it congregates the most important providers of public services in Colombia.
