

## Ecuadorian-German Chamber of Commerce and Industry (AHK)

The AHKs are closely linked to Germany through the network of Deutsche Industrie- und Handelskammern-IHK (German Chambers of Commerce and Industry). All together, they provide support to German companies to establish themselves and extend their economic relations onto foreign countries. The main organization of the IHKs is the Deutscher Industrie- und Handelskammertag- DIHK (German Federation of Commerce and Industry), which at the same time coordinates and performs the monitoring of the network of AHKs. It also promotes cooperation with associations of German entrepreneurs.
