

## **Belgo-Chilean Chamber of Commerce**

The Chamber points to supporting the development of relationships between Belgium and Chile, and more particularly the strategic links established upon trade and financial exchanges, but also created from academic, scientific and cultural relations between the two countries. The actions of the Chamber use to focus in particular upon on what makes possible the improvement of mutual knowledge, contacts and strategic alliances between companies, associations and people of the two countries in a cooperative perspective for facing the challenges of a globalized world.
